## Restoration of Services

MauBank wishes to inform its valued customers and the general public that its services have been successfully restored following the recent system disruption which had intermittently affected access to:

- Website
- Internet Banking
- Mobile Banking

Normal operations have resumed across all the above platforms, and customers can carry out transactions as usual.

The Bank extends its sincere appreciation to all customers for their patience and understanding, and for the continued trust they place in MauBank.

For any assistance, the Contact Centre remains available on **405 9400 (24/7)**, and Business Centres across the island continue to serve you.
